

**Mr. Slim®**

## FIELD SERVICE SEMINAR

### Seminar Description:

The Mr. Slim Field Service Seminar provides participants with an understanding of the fundamentals of Mitsubishi Mr. Slim systems. During this 4-hour seminar, you will be introduced to the concepts and theories of operation – including an overview of the unique technologies employed – system design, installation, and the fundamentals of troubleshooting M-Series and P-Series systems.

Participants will be awarded 4 NATE continuing education credits and 0.4 IACET CEUs.

**November 5, 2020 8:00 am - 12:00 pm**

Ed's Learning Institute  
540 Brick Church Park Dr. Nashville, Tn. 37207
