

Ed's Supply Company, Inc. ...

Air Properties & Measurements

Class Description:

This training program will review fundamental concepts related to air properties, duct system design and indoor airflow measurements. The participant will be able to demonstrate an understanding of the required instrumentation and procedures for accurate measurements. Duct static pressure, velocity, and heat-rise calculations are emphasized. Field diagnostic strategies and measurement analysis techniques will assist Technicians of any skill level in identifying airflow-related field issues.

Where: Ed's Learning Center

540 Brick Church Park Dr.
Nashville, TN 37207

When: Thursday, November 10, 2022

Hours: 8:00 AM - 12:00 PM

Workbook: Yes

Student Fee: \$50.00

NATE Recognized for

4 CEU credits
