

Ed's Supply Company, Inc. / Nashville Corporate

M1 Endeavor High-Mid-Base Tier 2023 Controls, Components Troubleshooting.

Class Description

The Rheem M1 Endeavor 14-18 SEER Controls, Components Troubleshooting training program explains in detail the new technology to meet SEER2 requirements. Components that make up the Endeavor product including the compressors, brushless dc motors, control boards with bluetooth, 2/3 stage controls, and many more. It also delves into the diagnostics and troubleshooting using a phone or Econet thermostat.
