Terms and Conditions

The Applicant (hereinafter called "Purchaser") hereby represents that all of the information provided by Purchaser in its Credit Application is true, complete, and not misleading and understands that said information and/or representations made are provided and made for the purpose of obtaining credit from Heritage Distribution Holdings (hereinafter called "Seller") and its divisions, and in return for the extension of credit, Purchaser hereby agrees to all of the following terms and conditions.

Purpose and Parties: This document is Purchaser's credit application with Seller, and if the credit application is approved, Purchaser's credit agreement with Seller (as the same may be renewed, extended, amended or restated from time to time, the "Credit Agreement"). Seller in its sole discretion may terminate Purchaser's credit privileges under this Credit Agreement at any time without prior notice to Purchaser, except as otherwise required by law. This Credit Agreement applies to all of Purchaser's purchases of goods and services from Seller. This agreement consists of these terms and conditions and any agreements, invoices or other Seller documents approved by Seller in writing to evidence Purchaser's obligations to Seller, all of which are incorporated in this Credit Agreement by reference. Except as to quantity of goods ordered, Purchaser agrees that Seller is not subject to any terms and conditions set forth in any purchase order, confirmation or other communication from Purchaser that would supplement or vary this Credit Agreement. No agent, salesman or other representative of Seller has any authority to obligate Seller by any terms, guarantees, warranties, stipulations, or conditions not specifically contained herein.

Credit approvals; no assignments: Seller may establish a credit limit for Purchaser's account. Purchaser agrees that Seller in its sole discretion may increase, decrease or terminate credit at any time. Purchaser may not assign any rights or benefits under this Credit Agreement without Seller's prior written consent, which consent may be withheld in Seller's sole discretion. If Purchaser is a corporation, limited liability company or other entity, a transfer or assignment of a majority of the equity interest in Purchaser is considered an assignment within the meaning of this provision.

Events of Default: Each of the following constitutes an "Event of Default": (a) not paying or performing all or any part of Purchaser's present or future indebtedness, obligations and liabilities to Seller (the "Obligations") when due; (b) any representation or warranty made or deemed made by Purchaser, or any guarantor of the Obligations (each a "Guarantor" and together with Purchaser, the "Obligated Parties"), in this Credit Agreement or in any related document shall be false, misleading, or erroneous in any material respect when made or deemed to have been made; (c) any Obligated Party shall suspend or discontinue its business operations, or shall generally fail to pay its debts as they mature, or shall file a petition commencing a voluntary case concerning any Obligated Party under any chapter of the United States Bankruptcy Code; or any involuntary case shall be commenced against any Obligated Party under the United States Bankruptcy Code; or any Obligated Party shall become insolvent (howsoever such insolvency may be evidenced); (d) Any Obligated Party, shall fail to pay when due any principal of or interest on any debt (other than the Obligations), or the maturity of any such debt shall have been accelerated, or any event shall have occurred that permits any holder of such debt to accelerate the maturity thereof; (e) this Credit Agreement or any related documents shall cease to be in full force and effect or enforceability thereof shall be contested by any Obligated Party or any Obligated Party shall deny that it has any further liability under this Credit Agreement or any related documents; or (f) the death or incapacity of any Guarantor.

Remedies: Upon an Event of Default, Seller may without notice terminate Purchaser's credit privileges under this Credit Agreement or declare the Obligations or any part thereof to be immediately due and payable, or both, and the same shall thereupon become immediately due and payable, without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest, or other formalities of any kind, all of which are hereby expressly waived by Purchaser; provided, however, that upon the occurrence of an Event of Default under clause (c) above, the Purchaser's credit privileges shall automatically terminate, and the Obligations shall become immediately due and payable, in each case without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest, or other formalities of any kind, all of which are hereby expressly waived by Purchaser. In addition to the foregoing, if any Event of Default shall occur and be continuing, Seller may exercise all rights and remedies available to it in law or in equity.

Severability: Each and every provision of the Agreement is severable from any and all other provisions of this Agreement. In the event that any provision of this Agreement is held to be invalid, the other provisions shall continue in full force and effect, and the offending provision, to the extent practicable, shall be reformed so as to achieve its intended purpose.

Delivery: Purchaser agrees to pay any and all delivery surcharges added to the individual invoices. All special orders (non-stock items) must be pre-paid unless credit account terms have been established. The Purchaser is responsible for all shipping, handling, and manufacturer's charges unless otherwise stated or agreed.

Payments: Purchaser agrees to pay each invoice by the thirtieth (30th) day of the following month from the invoice date. All invoices paid on or before the 15th of the following month are eligible to receive a 2% cash discount, unless otherwise noted (special quotes). Subject to any legal limits, in the event any invoice on Purchaser's credit account with Seller is not paid according to the terms and conditions of sale, Purchaser agrees to pay a SERVICE CHARGE of [1.5%] PER MONTH on the delinquent amount within thirty (30) days from the date each invoice was due. In the event the Purchaser's account is placed for collection, Purchaser agrees to pay all costs of collection (e.g. attorneys' fees and expenses). Future orders are subject to C.O.D. or Do Not Sell status if the account is delinquent. All checks returned unpaid are subject to a charge of \$30.00. Payments can be made using cash, check (with proper authorization and approval), money order, credit card (Visa, MasterCard, American Express, Discover), or EFT/ACH. Seller reserves the right to modify payment terms for Purchaser if, in Seller's sole discretion, Seller becomes aware of circumstances that may materially and adversely impact such entity's ability to meet its financial obligations when due. These rights to modify payment terms are not deemed to be a modification of the Terms and Conditions of this Credit Agreement for credit and are in addition to the rights described in any of Seller's credit, return and collection policies that may have been provided to Purchaser.

Governing Law/Forum for Disputes: The parties choose the laws of the state of Georgia to govern all aspects of this credit application and agreement and all transactions and disputes by and between the parties, without regard to any conflicts of law provisions of Georgia. The parties agree to designate the federal and state courts of Georgia as the exclusive place of venue and jurisdiction for any dispute between them; and Purchaser waives any right Purchaser may have to transfer or change venue regarding Purchaser's obligations to Seller under this credit application.

Damages and Limitation of Liability: Seller shall not be liable, in contract, tort or otherwise for any consequential, incidental, special, indirect, statutory or punitive damages. Seller liability in all events is limited to and shall not exceed the purchase price paid. All claims for loss or damage due to third party freight handling should be made directly with the freight carrier.

Returns: Returns of stock merchandise may be made within 90 days of the original purchase date. Merchandise must be in good, re-sellable condition (i.e. free of damages, defects, scratches, markings, etchings, etc.) Seller does not accept returns on products that have been installed. Proof of purchase and prior authorization may be required before any returns can be processed. All merchandise returned for credit is subject to a minimum 15% restocking fee. Return of non-stock merchandise, special-ordered through Seller, are not subject to cancellation or return. Proof of purchase may be required before a credit or replacement of materials is issued. If a warranty claim is denied by a manufacturer, the Purchaser will be liable for the replacement cost of exchange from Seller to the extent Seller may have provided such exchange as an accommodation to Purchaser.

Right of Possession: Seller shall have the right, in addition to all others it may possess, at any time, for credit reasons or because of Purchaser's default, to withhold shipments, in whole or in part, and to recall goods in transit, retake same, and repossess all goods which may be stored with Seller for Purchaser's account, without the necessity of taking any other proceedings, and Purchaser consents that all the merchandise so recalled, retaken, or repossessed shall become Seller's absolute property, provided that Purchaser is given full credit therefore. The foregoing shall not be construed as limiting, in any manner, any of the rights or remedies available to Seller because of any default of Purchaser

Indemnity. Purchaser shall indemnify and hold harmless Seller, its successors and assigns, employees, officers, directors and agents from and against any and all claims or suits for any loss, damage or injury sustained by any person whatsoever by reason of the sale, financing, use, possession or disposition of any merchandise financed hereunder and/or by Purchaser's failure to comply with the terms of this Credit Agreement.

Other Provisions: This Agreement is binding upon Seller and Purchaser and their respective successors and assigns. Purchaser represents and certifies that this request is for the extension of credit for business purposes only and is not intended for the extension of credit for personal, family or household purposes. Any modification to this agreement must be in writing and signed by Seller's authorized representative. If any provision (or portion of a provision) of this Credit Agreement is or becomes, at any time and for any reason, unenforceable or invalid, no other provisions of this Credit Agreement shall be affected thereby and the remaining provisions of this Credit Agreement shall be construed and reformed (to the minimum extent necessary) and shall continue with the same effect as if such unenforceable or invalid provision shall not have been originally included in this Credit Agreement.

This guaranty is a continuing guaranty of payment, and shall inure to the benefit of Seller and its successors and assigns from the date hereof without notice of acceptance and shall remain in full force for the time that Purchaser shall owe any indebtedness or other amounts to Seller.

This Guaranty shall remain in full force and effect notwithstanding the institution by or against Purchaser of bankruptcy, reorganization, readjustment, receivership or insolvency proceedings of any nature, or the disaffirmance of the Credit Agreement in any such proceedings or otherwise.

In the event any action or proceeding be brought by Seller to enforce this Guaranty, or Seller appears in any action or proceeding in any way connected with or growing out of this Guaranty, then and in any such event, the Guarantor shall pay to Seller reasonable attorney's fees, but only if Seller is successful in obtaining judgment. The Guarantor in any suit brought under this Guaranty does hereby submit to the jurisdiction of and venue in the Federal and State courts in the State of Georgia.

The Guarantor's obligations hereunder shall remain fully binding although Seller may have waived one or more defaults by Purchaser, extended the time of performance by Purchaser, released, returned, or misapplied other collateral given later as security (including other guaranties) and released Purchaser from the performance of its obligations under the Credit Agreement.

I/we agree and consent that Seller may make any agreement or arrangement whatsoever with Purchaser including but not limited to, extension of time for payment, compromise or discharge of the whole or any part of the said indebtedness and release of any or all security without impairing the liability of the undersigned hereunder, which liability may be discharged only by the payment in full of said indebtedness.
